I am a First Class Biomedical Science graduate with a Masters in Software Development. I have an analytical mind, with experience in evidence-based decision making, and excellent interpersonal and team skills. Having had the opportunity to play professional football in Germany (shorturl.at/vGLMU) before an unfortunate series of injuries I have been working to develop a wide range of skills that would make me a valuable asset to any organisation.

- Bilingual (German).
- Strong academic background.
- Teaching experience.
- Experience with public presentation to large groups.
- Experience processing complex data and articulating conclusions based upon that as part of my Biomedical Science degree and dissertation.
- Academic research skills.
- Proficient in programming languages such as Java, JavaScript, PHP, and frameworks like React.
- Familiar with development tools such as Eclipse, Visual Studio Code, and Git - GitHub.
- Proficient in working with databases using MySQL and PHPMyAdmin.
- Skilled in web design and development.
- Highly motivated and committed to learning new technologies and tools to enhance professional growth.
- Possess excellent soft skills, including communication, problem-solving, teamwork, and resilience.

EDUCATION

Master of Science in Software Development, Queen's University, Belfast

September 2021 - September 2022

- Achieved a commendation with an overall grade of 63%.
- Completed a range of relevant coursework in computing foundations, databases, programming, software engineering, and web development.
- Developed an interactive web mapping application, "BeachSmart," using React for the frontend and PHP for the backend API, for the dissertation project.

Certificate in JavaScript Data Structures & Algorithms, FreeCodeCamp

Issued April 12 2023

Bachelor of Science (Honours) in Biomedical Science, Ulster University, Coleraine

September 2016 - June 2021

- Awarded First Class Honours.
- Conducted research on "The War on Bugs: Cannabidiol and its ability to potentiate antibiotic efficacy" for the dissertation project.
- Recognized on the Dean's List for academic excellence in 2016/17.

A-Levels/GCSE, Loreto College, Coleraine

September 2007 - June 2015

- Achieved A-levels in Biology (B), Economics (B), Mathematics (C), Physics (D), and Chemistry (D).
- Obtained GCSEs in various subjects (A*-B), including Economics (2nd highest grade in Northern Ireland).
- Served as Sports Captain and Senior Prefect in 2013/14
- Completed the Duke of Edinburgh Award.

EXPERIENCE

ICT Lecturer

Transport Training Services NI | Crumlin, NI | Feb 2022 - May 2022

- Delivered high-quality ICT instruction to Level 1 and Level 2 students, resulting in a 100% pass rate for the course.
- Taught a variety of introductory ICT concepts and skills in an engaging and accessible way.
- Developed course materials, including lesson plans and assessments, to ensure students were equipped with the skills and knowledge necessary to succeed.

Retail Assistant

Tesco | Coleraine, NI | Dec 2016 - Present

- Maintained inventory and replenished stock to ensure products were available for customers.
- Operated checkout, providing excellent customer service to promote a positive shopping experience.
- Developed expertise in store layout, products, and promotions, allowing for effective customer assistance.

Whiskey Sommelier

Old Bushmills Distillery | Bushmills, NI | Jun 2015 - Dec 2017

- Conducted engaging and educational whiskey tasting sessions for groups of up to 250 people, delivering content in both English and German.
- Developed relationships with customers and provided personalised service to ensure memorable experiences.
- Maintained knowledge of whiskey production, history, and tasting techniques to effectively educate customers.
